Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Mathis Corridor Revitalization Project in fiscal year 2024. The entity to receive funding for this project is the City of Manassas, Virginia, located at 9324 West Street, 4th Floor, Manassas, VA 20110.

The funding is an appropriate use of taxpayer funds because it will increase vehicular and pedestrian safety, improve access to multimodal transportation options, renew the economic viability of a strategic corridor in the City, improve livability for residents and promotion of healthy and active lifestyles for both residents and visitors, and reduce delays along the Route 28 corridor.

This project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jennifer Wexton  
Member of Congress
